BELF

What is a belf?
What's a belf
set against
set next to

a self?
Is belf a word?
Is belf a state?
Is belf another

way to say the same?
Olive trees scrape
against the skin
pleasantly in

a dream mother
runs alongside me.
I explain mother
to others.

When nights and days
are swapped ghosts
like belfs
keep company.

BELF

What is a belf?
What's a belf
set against
set next to

a self?
Is belf a word?
Is belf a state?
Is belf another

way to say the same?
Olive trees scrape
against the skin
pleasantly in

a dream mother
runs alongside me.
I explain mother
to others.

When nights and days
swapped ghosts
like belfs
keep company.
